# Welcome

As the Board of Bucks County Commissioners, we are proud to trumpet the many reasons Bucks County is recognized as a “world-class” travel destination. From Bensalem, home of Philadelphia Park racetrack and casino, to Bridgeton Township, which showcases the one-of-a-kind Ringing Rocks Park, our county is filled with excitement, opportunity and natural wonder. The Bucks County Wine Trail and the historic character of our 12 covered bridges offer a dynamic gateway to the charm that accompanies our many attractions.

Here in Bucks County, the fourth-most-populous county in the Commonwealth of Pennsylvania, the travel industry directly employs approximately 17,000 people and contributes over \$1.2 billion to the economy annually. During 2007 the Bucks County tourism industry contributed \$304 million to state, federal and local tax revenue.

National and international recognition continues to shine a spotlight upon Bucks County. In June, 2008, we were named one of the top 100 “Dream Destinations” in the WORLD by the editors of *Life* magazine – just behind the Orient Express. The New Hope-Lahaska corridor has earned mention as one of the top arts destinations in America by *AmericanStyle* magazine. During October, 2009, Langhorne’s Sesame Place was featured on the *Food Network* series “Dinner Impossible,” as celebrity Chef Robert Irvine prepared a feast with beloved children’s characters Elmo and the Cookie Monster. Furthermore, the *Weather Channel* touts Bucks County as one of the top locations in the country to tour and enjoy fall foliage. We couldn’t agree more!

We are proud that our secret is out. Come discover what so many others already know. We invite you to preview Bucks County’s many treasures at [www.BucksCounty.org](http://www.BucksCounty.org) and [www.VisitBucksCounty.com](http://www.VisitBucksCounty.com).

Yours truly,

The Board of Bucks County Commissioners
